second bag and saw what he believed to be the handle of a firearm and several rounds of ammunition. Elso immediately placed the bag back on the ground as Everett Police arrived on scene.

5. Everett Police Officer Marchese looked in the bags and took a brief statement from Elso. All of the items found by Elso were taken into custody by the Everett Police Department.
6. Elso told S/A's Donahue and Kotchian that he usually cleans the area where he found the items about once a month. He believed that the two plastic bags were strategically placed in the brush as opposed to being thrown from a car.
